"Sound The Bugle"

Sound the bugle now - play it just for me
As the seasons change - remember how I used to be
Now I can't go on - I can't even start
I've got nothing left - just an empty heart

I'm a soldier - wounded so I must give up the fight
There's nothing more for me - lead me away...
Or leave me lying here

Sound the bugle now - tell them I don't care
There 's not a road I know - that leads to anywhere
Without a light I fear that I will - stumble in the dark
Lay right down - decide not to go on

Then from on high - somewhere in the distance
There's a voice that calls - remember who you are
If you lose yourself - your courage soon will follow
So be strong tonight - remember who you are
Ya you're a soldier now - fighting in a battle
To be free once more...
Ya that's worth fighting for
