"Tears Are Not Enough"

As everyday goes by how can we close our eyes
until we open up our hearts
we can learn to share and show how much we
care
right from the moment that we start
it seems like overnight we see the world in a
different light
somehow our innocence is lost
how can we look away - 'cause every single day
we've got to help at any cost
we can bridge the distance only we can make
the difference
don't cha know that tears are not enough
if we can pull together we can change the world
forever
heaven knows that tears are not enough
it's up to me and you to make the dream come
true
it's time to take our message everywhere - you
c'est l'amour qui nous rassemble
d'ici a notre bout de monde
lets show them canada still cares
you know that we'll be there
and if we should try - together you and i
maybe we could understand the reasons why
if we take a stand every woman child and man
we can make it work for God's sake lend a hand
