"When A Man Loves A Woman"

To really love a woman, To understand her,
You gotta know her deep inside,
Her every thought, See every dream,
And give her wings if she wants to fly,
And when you find yourself lying helpless in her arms,
You know you really love a woman...

When you love a woman then tell her that she's really
wanted
When you love a woman then tell her that she's the one
She needs somebody to tell her that it's gonna last
forever
So tell me have you ever really, really really ever loved
a woman

To really love a woman, let her hold you
Till you know how she needs to be touched
You gotta breathe her, you gotta taste her
Till you can feel her in your blood
When you can see her unborn children, in her eyes
You know you really love a woman

When you love a woman then tell her that she's really
wanted
When you love a woman then tell her that she's the one
She needs somebody, to tell her that you'll always be
together
So tell me have you ever really, really really ever loved
a woman

Oh you've got to give her some faith, hold her tight
A little tenderness, you gotta treat her right
She will be there taking good care of you
Ohh you gotta love your woman yeah

And when you find yourself lying helpless in her arms
You know you really love a woman

When you love a woman then tell her that she's really
wanted
When you love a woman then tell her that she's the one

She needs somebody to tell her that it's gonna last
forever
So tell me have you ever really, really really ever loved
a woman

Just tell me have you really, really every loved a woman
Ohh just tell me have you ever really really ever loved...
Just tell me have you really, really every loved a woman
Ohh just tell me have you ever really really ever loved...
