I've been wanderin' around the house all night
Wondering what the hell to do
Yeah I'm trying to concentrate but all I can think of is
you
Well the phone don't ring coz my friends ain't home
I'm tired of being all alone
Got the TV on coz the radio's playing songs that
remind me of you

Baby when you're gone - i realize i'm in love
days go on and on - and the nights just seem so long
Even food don't taste that good - drink ain't doing what
it should
Things just feel so wrong - baby when you're gone

I've been driving up and down these streets
Trying to find somewhere to go
Yeah i'm lookin' for a familiar face but there's no one i
know

Oh this is torture - this is pain - it feels like i'm gonna go
insane
I hope you're coming back real soon - coz i don't know
what to do

Baby when you're gone (when you're gone) - i realize
i'm in love
The days go on and on (on & on) - and the nights just
seem so long
Even food don't taste that good - drink ain't doing what
it should
Things just feel so wrong (oh, yeah) - baby when you're
gone

Baby when you're gone (when you're gone) - i realize
i'm in love (so in love)
The days go on and on - and the nights seem so long
Even food don't taste so good (oh) - drink ain't doing
what it should (oh)
Things just feel so wrong (so wrong) - baby when
you're gone (you're gone)

Yeah, baby when you're gone...
