You Can't Take Me Ya

Got to fight another fight - I gotta run another night
Get it out - check it out
I'm on my way and it don't feel right

I gotta get me back - I can't be beat and that's a fact
It's Ok - I'll find a way
You ain't gonna take me down no way

Chorus:

Don't judge a thing until you know what's inside it
Don't push me - I'll fight it
Never gonna give in - never gonna give it up no
If you can't catch a wave then you're never gonna ride
it
You can't come uninvited
Never gonna give in - never gonna give it up no
You can't take me I'm free

Why did it all go wrong? - I wanna know what's goin' on
And what's this holding me?
I'm not where I'm supposed to be

I gotta fight another fight
I gotta fight with all my might
I'm getting out, so check it out
You're in my way
Ya you better watch out

Chorus
