I wanna be young the rest of my life
never say no - try anything twice
til the angels come and ask me to fly
I'm gonna be 18 til I die - 18 til I die

can't live forever that's wishful thinkin'
who ever said that must of bin' drinkin'
don't wanna grow up I don't see why
I couldn't care less if time flies by

18 til I die - gonna be 18 til I die
it sure feels good to be alive
someday I'll be 18 goin' on 55! - 18 til I die

anyway - I just wanna say
why bother with what happened yesterday
it's not my style I live for the minute
if ya wanna stay young get both feet in it - 18 til I die

a 'lil bit of this - a 'lil bit of that
'lil bit of everything - gotta get on track
it's not how ya look, it's what ya feel inside
I don't care when - I don't need ta know why

18 til I die - gonna be 18 til I die
ya it sure feels good to be alive
someday I'll be 18 goin' on 55! - 18 til I die
ya there's one thing for sure - I'm sure gonna try

don't worry 'bout the future - forget about the past
gonna have a ball - ya we're gonna have a blast
gonna make it last - 18 til I die
