I swear to you,

I will always be there for you,

There's nothin' I won't do.

I promise you,

All my life, I will live for you

We will make it through

Forever, we will be

Together, you and me.

Oh... and when I hold you nothin' can compare

With all of my heart

You know I'll always be right there.

I believe in US

Nothin' else could ever mean so much,

You're the one I trust,

Our time has come,

We're not two people now, we are one

Yeah... you're second to none

Forever, we will be

Together a family,

The more I get to know ya' nothin' can compare

With all of my heart, you know I'll always be right there.

Forever we will be

Together just you and me

The more I get to know ya' the more I really care

With all of my heart, you know I'll always be...

And you know I really love ya' nothin' can compare

For all of my life

You know I'll always be

Right there...
