You and I
Together we reach for the sky
It's not about winning
It's all about playing the game
From the East
From the West
Each of us trying our best
Chasing a dream
Burning to follow the flame

Bang the Drum a little louder
So the whole world can hear
the whole world can hear
Sing the song a little longer
So the whole world can hear
the whole world can hear

From near
From far
It's clear, wherever you are
This is your moment
Your time to run like the wind
Dream big
Aim high

Even believe you can fly
Give it your all
Let the Games begin

Bang the Drum a little louder
So the whole world can hear
the whole world can hear
Jump up a little higher
so the whole world can see ya
the whole world can see ya

Sing the song a little longer
so the whole world can hear
the whole world can hear
Bang the Drum a little louder
For the whole world to hear
the whole world to hear

Bang the Drum a little louder
Sing the song a little longer
Bang the Drum!
