you got it

sometimes words are hard to find
i'm looking for that perfect line
to let you know you're always on my mind
yeah, this is love - n' i've learned enough to know
i'm never lettin' go
no, no, no - won't let go

when you want it - when you need it
you'll always have the best of me
i can't help it - believe it
you'll always get the best of me

i may not always know what's right
but i know i want you here tonight
gonna make this moment last for all your life
oh ya this is love - n' it really means so much
i can tell from every touch
no, no, no - can't get enough

when you want it - when you need it
you'll always have the best of me
i can't help it - believe it
you'll always get the best of me

yeah, the best of me

oh, this is love - n' i've learned enough to know
i'm never lettin' go
no, no, no - won't let go

[you'll always have the best of me]
[you'll always get the best of me]

you'll always get the best of me, baby
i can't help it - believe it

oh, when you want it - when you need it
[you'll always] have the best of me
i can't help it - believe it

you'll [you'll always]oh, you'll always get the best of
me, baby

ooh, when you want it - when you need it
[you'll always] have the best of me
oh, this is love
you got the best of me
oh, you got the best of me
