Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine

Clue number one, was when you knocked on my door
Clue number two, was the look that you wore
That's when I knew it was a pretty good sign
Somethin' was wrong up on cloud number nine

Well it's a long way up and we won't come down tonight
Well it may be wrong but baby, it sure feels right
Oh yeah!

And the moon is out, and the stars are bright
And whatever comes gonna be alright
'Cause tonight you will be mine, up on cloud number
nine
And there ain't no place, that I'd rather be
And we can't go back, but you're here with me
Yeah, the weather is really fine, up on cloud number
nine

Now he hurt you, and you hurt me
And that wasn't the way it was supposed to be
So baby tonight let's leave the world behind
And spend some time, up on cloud number nine

Well it's a long way up and we won't come down tonight
Well it may be wrong but baby, it sure feels right
Alright

When the moon is out, and the stars are bright
And whatever comes gonna be alright
'Cause tonight you will be mine, up on cloud number
nine
And there ain't no place, that I'd rather be
And we can't go back, but you're here with me
Yeah, the weather is really fine, up on cloud number
nine

Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine
Number nine, number nine, number nine

Well we won't come down tonight
Yeah we won't come down tonight
No we won't come down tonight

'Cause the moon is out and the stars are bright
And whatever comes gonna be alright
This tonight you will be mine, up on cloud number nine
Oh yeah!
And there ain't no place, that I'd rather be
And we can't go back, but you're here with me
Yeah the weather is really fine, up on cloud number
nine
Yeah we can watch the world go by, up on cloud
number nine
