Clue number one was when you knocked on my door  
Clue number two was the look that you wore  
n' that's when I knew, it was a pretty good sign  
That something was wrong up on cloud number nine

Well, it's a long way up and we won't come down  
tonight  
Well, it may be wrong but baby it sure feels right

And the moon is out and the stars are bright  
And whatever comes s'gonna be alright  
Cause tonight you will be mine - up on cloud number  
nine  
And there ain't no place that I'd rather be  
And we can't go back but you're here with me  
Yeah, the weather is really fine - up on cloud number  
nine

Now he hurt you and you hurt me

And that wasn't the way it was supposed to be  
So, baby, tonight let's leave the world behind  
Ans spend some time up on cloud numer nine

Well, it's a long way up and we won't come down  
tonight  
Well, it may be wrong but baby it sure feels right

Well, we won't come down tonight  
Ya, we won't come down tonight  
No, we won't come down tonight

We can watch the world go by - up on cloud number  
nine...
