Here we go
All right
Whooo

If you love somebody
If you need someone
If you want somebody
Yeah, well let me be the one

I wanna do to you
What you do to me
Do to you
What you do to me

Let me treat you right
Yeah, show I care
'Cos every night
I'll take you there

I really wanna do to you
What you do to me
Baby, do to you
What you do to me
Yeah

I don't want just anything
I just want something real
Let down your defenses, Baby
Show me what you feel
(Oh come on)

Do to you
What you do to me, yeah
Do to you
What you do to me
Oww

Ahhh
Say, should I stay?
Or should I go?
There ain't no question, Babe

I already know

Oww, I wanna do to you
What you do to me, Baby
Do to you
What you do to me, yeah

I don't want just anything
I just want something real
Let down your defenses Baby
Show me what you feel

Yeah
(I wanna do to you what you do to me)
Uhh
(Do to you what you do to me)
(I wanna do to you what you do to me)
Oh yeah

I really really really wanna do to you
What you do to me, yeah
(I wanna do to you)
(What you do to me)
Owww
Uhhh

Oh, you love it!
Do to you
What you do to me
You Baby wanna do to you
What you do to me, oh yeah
All right

(Do to you what you do to me)
(Do to you what you do to me)
(Do to you what you do to me)
