Parody

CUSSER Everything you do, you do it for stew

Looking at your teeth - we will find  
What plaque means to you  
Search your arse - search your hole  
When we find plaque there we will search for more  
Don't tell me it's not worth brushin' for  
You can't tell me it's not worth smilin' for  
You know it's true  
Everything you do - you do it for stew

Look into your flab - we will find  
There's nothin' you cant hide  
Take me as I am - take my ham  
I would give it all - I couldnt sacrifice  
Don't tell me you dont eat pies no more  
You can't help it - there's nothin' you want more  
You know it's true  
Everything you do - you do it for stew

There's no top - like carrot top  
And no other - could get hairy  
There's no-one on this planet  
Who can have - an afromole

Oh - you can't tell me it's not worth flossing for  
you can help it brushings not a bore  
Yeah, we brush em for you wed eat pie for you  
All the while for you - Yeah we'd shave it for you  
You know it's true  
Everything you do - Ohhh, you do it for stew
