It's three a.m
And I'm lyin' here next to you
What you gonna do?
Will you tell a story
When he asks you where the hell you've been?
Or will you tell the truth?

Well I ain't holdin' back
I know where I stand
I just wanna be with you
You gotta face the fact
Baby I'm your man
I've gotta get it through to you
Yea, I'm fearless

You don't have to hide
You don't have to share half your life
With some other guy
Yea, baby we're so strong
It's been goin' on so long
It's time to make it right
Want you to spend the night

Well I ain't holdin' back
I know where I stand
I just wanna be with you
You gotta face the fact
Baby I'm your man
I've gotta get it through to you
And I'm fearless

I'm fearless
Ohh yea

I just wanna, yea
I just wanna be with you

Ooh, I ain't holdin' back
I know where I stand
I just wanna be with you
Gotta face the fact
Baby I'm your man

I've gotta get it through to you

And I'm fearless
(I ain't holdin' back, I know where I stand)
Yea, I just wanna be with you
You gotta face the fact
Baby I'm your man
I've gotta get it through to you
And I'm fearless

Yea
I just wanna be with you
Yea, I've gotta get it through to you
And I'm fearless
