i hear the wind call your name  
it calls me back home again  
it sparks up the fire- a flame that still burns  
oh it's to you i will always return  
i still feel your breath on my skin  
i hear your voice deep within  
the sound of my lover- a feeling so good  
it's to you - i will always belong

now i know it true  
my every road leads to you  
and in the darkness darlin  
your light gets me through

wanna swim in your river - be warmed by your sun  
bathe in your waters- cuz you are the one  
i cant stand the distance- i cant dream alone  
i cant wait to see you- ya im on my way home

oh i hear the wind call your name  
the sound that leads me home again  
it sparks up the fire - a flame that still burns  
oh it's to you- i will always return

i hear the wind call my name  
the sound that leads me home  
it sparks up the fire - a flame that still burns  
to you i will always return  
i know the road is long but where you are is home  
wherever you stay - i will find a way  
ill run like the river- ill follow the sun  
ill fly like an eagle - to where i belong

i cant stand the distance- i cant dream alone  
i cant wait to see you -yes im on my way home

now i know it's true  
my every road leads to you  
and in the hour of darkness darlin  
your light gets me through

you run like the river- you shine like the sun

you fly like an eagle  
you're the one I've seen every sunset  
and with all that I've learned  
oh it's to you,  
I will always, always  
return
