i hear the wind call your name
it calls me back home again
it sparks up he fire- a flame that still burns
oh it;s to you i will always return
i still feel your breath on my skin
i hear your voice deep within
the sound of my lover- a feeling so good
its to you - i will always belong

now i know it true
my every road leads to you
and in the darkness darlin
your light gets me through

wanna swim in your river - be warmed by your sun
bathe in your waters- cuz you are the one
i cant stand the distance- i cant dream alone
i cant wait to see you- ya im on my way home

oh i hear the wind call your name
the sound that leads me home again
it sparks up the fire - a flame that still burns
oh its to you- i will always return

i hear the wind call my name
the sound that leads me home

it sparks up the fire - a flame that still burns
to you i will always return
i know the road is long but where you are is home
wherever you stay - i will find a way
ill run like the river- ill follow the sun
ill fly like an eagle - to where i belong

i cant stand the distance- i cant dream alone
i cant wait to see you -yes im on my way home

now i know its true
my every road leads to you
and in the hour of darkness darlin
your light gets me through

you run like the river- you shine like the sun
you fly like an eagle
you're the one i've seen every sunset
and with all that i've learned
oh it's to you,
i will always, always
return
