Well you think that you can take me on
You must be crazy
There ain't a single thing you've done
That's gonna faze me

Oh, but if you want to have a go
I just want to let you know

Yeah, get off my back and into my game
Get out of my way and out of my brain
Get out of my face or give it your best shot
I think it's time you better face the fact, get off my back

You know it's all just a game
That I'm playing
Don't think that you can't find a way
In that's what I'm saying

Oh, if you want to have a go
I just want to let you know

Oh, get off my back and into my game
Get out of my way and out of my brain
Get out of my face or give it your best shot
I think it's time you better face the fact, get off my back

Oh, if you want to have a go
I just want to let you know

Get off, get off, yeah, get off of my back and into my
game
Get out of my way and out of my brain
Get out of my face or give it your best shot
You know this train is coming off this track, get off my
back
Yeah, get off my back, get off, yeah oh

Get off, get off, get off, get off
Get off, get off, get off
Get off my back
