Well, you think you can take me on?
You must be crazy.
There ain't a single thing you've done that's gonna
phase me.
Although if you wanna have a go, I just wanna let you
know...

Yeah, Get Offa My Back, and into my game.
Get outta my way, and outta my brain.
Get outta my face, or give it your best shot.
I think it's time you'd better face the fact, get offa my
back

You know it's all just a game that I'm playin'.
You think that you can find a way in.
That's what I'm sayin'.
Or if you wanna have a go... I just wanna let you know...

Oh, get offa my my back, and into my game.
Get outta my way and outta my brain.
Get outta my face, or give it your best shot.
I think it's time you'd better face the fact, get offa my
back.

Or If you wanna have a go,
I just wanna let you know...

Get off
Get off
Yeah Get offa my back, and into my game.
Get outta my way and outta my brain.
Get outta my face, or give it your best shot.
You know this Train is comin' off this track, get offa my
back

Yeah get offa my back
Get off.

Get off,
Get off,
Get off,

Get off,
Get off,
Get off,
Get off,
Get off,
Get offa my back.
