to really love a woman  
to understand her - you gotta know her deep inside  
hear every thought - see every dream  
nâ´ give her wings - when she wants to fly  
then when you find yourself lyinâ´ helpless in her arms  
ya know ya really love a woman  
when you love a woman you tell her that sheâ´s really  
wanted  
when you love a woman you tell her that sheâ´s the one  
cuz she needs somebody to tell her that itâ´s gonna  
last forever  
so tell me have you ever really - really really ever loved  
a woman?  
to really love a woman  
let her hold you - till ya know how she needs to be  
touched  
youâ´ve gotta breathe her - really taste her  
till you can feel her in your blood  
nâ´ when you can see your unborn children in her eyes  
ya know ya really love a woman  
when you love a woman you tell her that sheâ´s really  
wanted  
when you love a woman you tell her that sheâ´s the one  
cuz she needs somebody to tell her that youâ´ll always  
be together  
so tell me have you ever really - really really ever loved  
a woman?  
you got to give her some faith - hold her tight  
a little tenderness - gotta treat her right  
she will be there for you, takinâ´ good care of you  
ya really gotta love your woman...  
then when you find yourself lyinâ´ helpless in her arms  
ya know ya really love a woman  
when you love a woman you tell her that sheâ´s really  
wanted  
when you love a woman you tell her that sheâ´s the one  
cuz she needs somebody to tell her that itâ´s gonna  
last forever  
so tell me have you ever really - really really ever loved  
a woman?  
just tell me have you ever really - really really ever

loved a woman?  
just tell me have you ever really - really really ever  
loved a woman
