To really love a woman,
To understand her - you gotta know her deep inside,
Hear every thought - see every dream,
N' give her wings - when she wants to fly,
Then when you find yourself lyin' helpless in her arms
You know you really love a woman

When you love a woman, tell her
that she's really wanted
When you love a woman, tell her that she's the one
she needs somebody to tell her
that it's gonna last forever
So tell me have you ever really
- really really ever loved a woman?

To really love a woman
Let her hold you -
til ya know how she needs to be touched,
You've gotta breathe her - really taste her
Till you can feel her in your blood
N' when you can see your unborn children in her eyes
You know you really love a woman

When you love a woman
you tell her that she's really wanted
When you love a woman you tell her that she's the one,
she needs somebody to tell her
that you'll always be together,
So tell me have you ever really -
really really ever loved a woman?

You got to give her some faith - hold her tight
A little tenderness - you gotta treat her right,
She will be there for you, takin' good care of you,
Ya really gotta love your woman...

Then when you find yourself lyin' helpless in her arms
You know you really love a woman
When you love a woman you tell her
that she's really wanted,
When you love a woman you tell her that she's the one,
she needs somebody to tell her
that it's gonna last forever
So tell me have you ever really
- really really ever loved a woman?

Just tell me have you ever really,
really, really, ever loved a woman? You got to tell me
Just tell me have you ever really,
really, really, ever loved a woman?
