I dont need a million dollars
Just need a couple of bucks
Dont need no life insurance
Just need a little luck
I dont care if the sun dont shine
As long as it dont rain all week
I dont care if I reach the top
Now when it comes to you and me

I dont need a piece of your heart
Oh, yeah, Im in need of every part
I want it all
I want it all
I want everything you got
I dont need a piece of your heart
I want it all

Little sister you can come to me
With everything in harmony
Oh, yeah

I dont want to go through no long goodbyes
I dont mind being apart
I dont need no fancy car
As long as we can make it start

I dont need a piece of your heart
Oh, yeah, Im in need of every part
I want it all
I want it all
I want everything you got
I dont need a piece of your heart
I want it all

I want it all
I want it all
I want it all

I want it all
I want it all
I want it all

I dont need a piece of your heart
Oh, yeah, Im in need of every part
I want it all
I want it all
I want everything you got
I dont need a piece of your heart
I want it all

I dont want a little bit baby
I want it all
Yes I do, Yes I do
