Well there's gonna be a party gonna make some noise  
Yeah we're invitin' all the girls - invitin' all the boys  
There'll be dancin' on the tables dancin' on the chairs  
Ya there'll be dancin' in the parkin' lots  
And up and down the stairs - alright  
Close the windows - lock the doors  
Turn it up now - pack the floors  
Cops are on the outside - landlord's on the phone  
Quick turn out all the lights  
Pretend there ain't nobody home!

It's a house arrest - everybody run  
I gotta plead guilty havin' - too much fun  
This is a house arrest - up against the wall  
We can't stop rockin' justa havin' a ball - One and all

Won't you come around to my place  
Don't cha know it's overdue  
You gotta bring your little lady wear your dancin' shoes  
Get a Yellow Taxi - take a limousine  
You gotta get there - it's gonna be a scene  
it's too late can't wait - get out while you can  
It was fun while it lasted let's do it all again

It's a house arrest - everybody run  
I gotta plead guilty havin' - too much fun  
This is a house arrest - up against the wall  
We can't stop rockin' justa havin' a ball  
One and all

We bin wakin' up the neighbours  
Bouncin' off the walls  
Hangin' off the ceilings  
We'll be dancin' in and out of the halls!

This is a house arrest everybody move  
Gotta plead guilty gonna raise the roof  
This is a house arrest...!
