How come the best ones are always taken
What I see when I see, you, is love in the makin'
Somethin' about timin', somethin' about fate
Gotta go with the feelin', not a moment to waste

Bring it on, bring it on, do you know I was born ready
The son of a strong man, I'm rock steady
Everything you throw, I can see it comin'
Gonna be no T K O, just a lot of lovin', yeah

'Cause opposites attract this way
If day is night and night is day
If lovin' you is wrong then babe
Wrong is right, I ain't losin' the fight

Take it on, take it on, take it on, no second guessin'
Dressin' up a situation, we should be undressin'
Hear the bell ringin', seconds out round two
Got my eyes on the prize and the prize is you

'Cause opposites attract this way
If day is night and the night is day
If lovin' you is wrong then babe
Wrong is right, I ain't losin' the fight

'Cause opposites attract this way
If day is night and the night is day
If lovin' you is wrong then babe
Wrong is right, I ain't losin' the fight

'Cause opposites attract this way
If day is night and night is day
If lovin' you is wrong then babe
Wrong is right, yeah, I ain't losin' the fight
I ain't losin' the fight
