How come the best ones
Are always taken
What i see when i see, ya
Is love in the makin'
Something about timin'
Something about fate
Gotta go with the feeling
Not a moment too waste

Bring it
On bring it on, ya
I was born ready
I'm a son of a strong man
I'm rock steady
Everything you throw
I can see it coming
Ain't gonna be no TKO
Just a lot of lovin'

Cuz opposites
Attract this way
If day is night
And night is day
If loving you
Is wrong then babe
Wrong is right
And i ain't
Losin' the fight

Take it on
Take it on
Take it on
No second guessing
Ddressin' up a situation
We should be undressing
Hear the bell ringing
Seconds out round two
I got my eyes on the prize
And the prize is you
