I finally found someone  
That knocks me off my feet  
I finally found the one  
That makes me feel complete

It started over coffee  
We stated out as friends  
It's funny how from simple things  
The best things begin

This time is different  
And it's all because of you  
It's better than it's ever been  
'Cause we can talk it though

My favorite line was  
"Can I call you sometime?"  
It's all you had to say  
To take my breath away

This is it  
Oh, I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night

'Cause whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone

Did I keep you waiting?  
I didn't mind  
I apologize, baby that's fine  
I would wait forever just to know you were mine

You know I love your hair  
Are you sure it looks right?  
I love what you wear  
Isn't it too tight?

You're exceptional

I can't wait for the rest of my life

This is it  
Oh, I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night

'Cause whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone

And whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone
