You went away and left me long time ago  
And now you're knocking on my door

I hear you knocking  
But you can't come in

I hear you knocking  
Go back where you've been

I begged you not to go but you said goodbye  
And now you're telling me all your lies

I hear you knocking  
But you can't come in

I hear you knocking  
Go back where you've been

Ahhh yeah  
Let me hear it

Ohhooo woo  
OOhh

You better get to your use-to-be  
'Cause your kind of love ain't good to me

I hear you knocking  
But you can't come in

I hear you knocking  
Go back where you've been

I told you way back in 52  
That I would never go with you

I hear you knocking  
But you can't come in

I hear you knocking  
Go back where you've been

Yeah  
Awwhoooo
