I'd like to see you, thought I'd let you know  
I wanna be with you everyday  
Cause I've got a feeling that's beginning to grow  
And there's only one thing I can say

I'm ready - to love you  
I'm ready - to hold you  
I'm ready - to love you  
I'm ready - to hold you

I'm ready as I'm gonna be

You left me a long note when you left me here  
Told me that love was hard to find  
But baby it's easy and I'll make it clear  
There's only one thing on my mind

I'm ready - to love you  
I'm ready - to hold you  
Baby I'm ready - to love you  
I'm ready - to hold you  
I'm ready - as I'm gonna be
