you said you always keep me happy
you said you always be true
you said you always keep me warm at night
i didn't know that be someone else there too

But i still miss you... a little bit
don't mind me, i'll get over it
learn to live, live to love another day
i'll be my ownself in a week or two

until then i'll be sad and blue
yes i admit, i still miss you... a little bit

you said you always be my lover
you said you be with me till the end
you said we'll always be together
i wasn't count on you sleeping with my friend
