I don't need no million dollars, just need a couple of
bucks

Don't need no life insurance, I just need a little luck
I don't care if the sun don't shine, as long as it don't
rain all week

And I don't care if I don't reach the top
But when it comes to you and me, oh ya

I don't need a piece of your heart, oh ya
I'm in need of every part, I want it all, I want it all
I want everything you got
I don't need a piece of your heart, I want it all

I don't wanna go through no long good bye's
I don't mind being apart
I don't need no fancy car
As long as we can make it start, oh ya

I don't need a piece of your heart, oh ya
I'm need of every part, I want it all, I want it all
I want everything you got
I don't need a piece of your heart, I want it all
So I'll sister come to me, put everything in harmony,
irie!
