She got a nasty reputation and a talent for sin
She's the kinda trouble i'd like to be in
I wanna be a lover - I wanna be a slave
But she's the kinda women makes me wanna
misbehave
So give it what you want boy - let's make it understood
That if ya wanna be bad ya gotta be good

She says there'll be no lying - no foolin' around
No seven day weekends -
no nights on the town
Well that's the way I want it -
that's the way it's gotta be
If you're looking for trouble better get it from me
So get on your knees boy and do what you should
If ya wanna be bad ya gotta be good

No she makes the laws -
she calls the shots
Do what she wants if you want what she's got
Can't have it both ways - you gotta chose
She can give you the rhythm or she can give you the
blues
Oh, if you want sugar better bring it on home
Better keep it in the kitchen 'cause that's where it
belongs
You gotta make her happy boy
Just take it from me
Or you'll never get none of that tlc
If you're tryin' to get lucky
- better knock on wood
If ya wanna be bad ya gotta be good

I love the way ya look tonight
With your hair hangin' down on your shoulders
N' I love the way ya dance your slow sweet tango
The way ya wanna do everything but talk
And how ya stare at me with those undress me eyes
Your breath on my body makes me warm inside

Let's make out - let's do something amazing
Let's do something that's all the way
'cause I've never touched somebody like the way I
touch
your body

Now I never want to let your body go...

Let's make a night - to remember
From January - to December
Let's make love - to excite us
A memory - to ignite us
Let's make honey baby - soft and tender
Let's make sugar darlin' - sweet surrender
Let's make a night - to remember - all life long

I love the way ya move tonight
Beads of sweat drippin' down your skin
Me lying here - n' you lyin' there
Our shadows on the wall and our hands everywhere

Let's make out - let's do something amazing
Let's do something that's all the way
'cause I've never touched somebody like the way I
touch
your body
Now I never want to let your body go...

Let's make a night - to remember
From January - to December
Let's make love - to excite us
A memory - to ignite us
Let's make honey baby - soft and tender
Let's make sugar darlin' - sweet surrender
Let's make a night - to remember - all life long

I think about ya all the time
Can't you see you drive me outta my mind
Well I'm never holdin' back again
Ya I never want this night to end
'cause I've never touched somebody like the way I
touch
your body
Now I never want to let your body go...
