She gotta nasty reputation
and a talent for sin
she's a kinda trouble
I like to be in
I wanna be her lover
I wanna be her slave
She's a kinda woman
makes me wanna misbehave
she said I'll give ya what you want boy
let's make it understood
if you wanna be bad - you gotta be good

she says There'll be no lying
no foolin' around
there'll be no seven day weekends
no nights on the town
she said: That's the way I want it
that's the way it's gotta be
if you 're looking for trouble
better get it from me
so get on your knees boy
and do what you should
if you wanna be bad-you gotta be good
