Hey it ain't a party - if you can't come round
(Yeah!)

You can drive the car
I'll play my old guitar
Come back to me
Come back to me
We can get some beer
Yea lets get outta here
Come back to me
Come back to me

We'll find a place to go
No one will ever know
Somewhere thats outta town
Put a blanket on the ground
Baby... and we can really get crazy

Babe it ain't a party
If you can't come round
Can't even get started
If you don't come down
Hey... even saturday ain't a holiday if you stay away
(Nooo no)
It ain't a party - if you can't come round (Thats right)

Slip into something tight
We'll slip into the night
Come back to me
Come back to me
We'll see the sun go down
And maybe fool around
Come back to me
Come back to me
Yea we can start a fire
Where'e we'll get a little higher
Don't worry what to bring
Cuz we've got everything baby
And we can really get crazy

Babe it ain't a party

If you can't come round
Can't even get started
If you don't come down
Hey... even saturday ain't a holiday if you stay away
Noooo.. no.. it ain't a party

Guitar Solo
(I'm talkin party)

Ooh... hey
Even saturday ain't a holiday if you stay away
Nooooo
It ain't a party (Ooh)
If you can't come around (no way!)
Can't even get started (can't get started)
If you can't come down (oh yeah)
Cuz even saturday ain't a holiday (ooh yeah)
It ain't a party (oh)
If you can't come round
