You can drive the car  
I'll play my ol' guitar  
Come back to me - come back to me  
Ya we can get some beer  
Ya lets get outta here  
Come back to me - come back to me  
We'll find a place to go  
No one will ever know  
Somewhere that's outta town  
Put a blanket on the ground - baby  
'N we can really go crazy

Chorus

Babe it ain't a party  
If you can't come 'round  
Can't even get started  
If you don't come down  
Even Saturday - ain't a holiday  
If you stay away  
No - no it ain't a party  
If you can't come 'round

Slip into somethin' tight  
We'll slip into the night  
Come back to me - come back to me  
We'll see the sun go down  
'N maybe fool around  
Come back to me - come back to me  
Ya we can start a fire  
Maybe get a little higher  
Don't worry what to bring  
Cuz we got everything - baby  
And we can really go crazy

Chorus

Babe it ain't a party  
If you can't come 'round  
Can't even get started  
If you don't come down

Even saturday - ain't a holiday  
If you stay away  
No - no it ain't a party  
If you can't come 'round
