Hey, it ain't a party, if you can't come 'round  
Yeah!

You can drive the car, I'll play my ol' guitar  
Come back to me, come back to me  
And you can get some beer, ya let's get outta here  
Come back to me, come back to me

We'll find a place to go, no one will ever know  
Somewhere that's outta town  
Put a blanket on the ground, baby  
An' we can really go crazy

Babe, it ain't a party, if you can't come 'round  
Can't even get started, if you don't come down  
Hey, even Saturday, ain't a holiday, if you stay away  
No no, it ain't a party, if you can't come 'round

{Thats right, ah}

Slip into somethin' tight, we'll slip into the night  
Come back to me, come back to me  
We'll see the sun go down, an' maybe fool around  
Come back to me, come back to me

Ya we can start a fire, maybe get a little higher  
Don't worry what to bring  
'Cuz we got everything, baby  
And we can really go crazy

Babe, it ain't a party, if you can't come 'round  
Can't even get started, if you don't come down  
Hey, even Saturday, ain't a holiday, if you stay away  
No no, it ain't a party

{I'll try to party}

Oh, hey, even Saturday, ain't a holiday, if you stay  
away  
No, it ain't a party, oh, if you can't come 'round  
No way, can't even get started, can't get started  
If you can't come 'round

Oh yeah, oh 'cuz even Saturday, ain't a holiday  
(Party)  
(If you can't come 'round)  
Oh, yeah  
No, it ain't a party  
Oh, if you can't come 'round
