I can't complain about the way we tried  
So maybe it's the time to say goodbye  
Not gonna look around  
I'm just gonna look away

Don't put the reasons back in my head  
You said you loved me now you've left me for dead  
Oh, I just can't stand it this way

Oh, jealousy, coming over me  
It's that jealousy, breaking my heart  
Whoa, jealousy, taking control of me

Now ya just gotta know  
That I can't let it go  
And it's time that you knew  
I can't stop loving you, yeah

You say, I'm a sentimental fool  
But all I tried to do is go with you  
Not gonna look around  
I'm just gonna look away

It's been a battle since you broke my heart  
I tell you now that it's been coming down hard  
Oh, I just can't stand another day

Whoa, jealousy, coming over me  
It's that jealousy, breaking my heart  
Whoa, jealousy, taking control of me

Now ya just gotta know  
That I can't let it go  
And it's time that you knew  
I can't stop loving you

Whoa, jealousy, coming over me  
It's that jealousy, breaking my heart  
Whoa, jealousy, coming over me  
It's that jealousy, breaking my heart, yeah

Jealousy

Jealousy  
Jealousy  
Jealousy

Jealousy  
Jealousy  
Jealousy  
Jealousy

Jealousy  
Jealousy  
Jealousy
