I love the way you look tonight  
With your hair hangin' down on your shoulders  
And I love the way you dance your slow sweet tango  
The way you wanna do everything but talk  
And how you stare at me with those undress-me eyes  
Your breath on my body makes me warm inside

1-Let's make out, let's do something amazing  
Let's do something that's all the way  
'Cuz I've never touched somebody  
Like the way I touch your body  
Now I never want to let your body go

Let's make a night, to remember  
From January, to December  
Let's make love, to excite us  
A memory, to ignite us  
Let's make honey, baby, soft and tender  
Let's make sugar, darlin', sweet surrender  
Let's make a night, to remember, all life long

I love the way you move tonight  
Beads of sweat drippin' down your skin  
Me lying here, and you lyin' there  
Our shadows on the wall and our hands everywhere  
(repeat 1)

I think about ya all the time  
Can't you see you drive me outta my mind  
Well, I'm never holdin' back again  
Yeah, I never want this night to end  
Cuz I've never touched somebody  
Like the way I touch your body  
Now I never want to let your body go  
(rpt 1)
