I love the way you look tonight
With your hair hangin' down on your shoulders
And I love the way ya dance your slow sweet tango
The way ya wanna do everything but talk
And how ya stare at me with those undress me eyes
Your breath on my body makes me warm inside

Let's make out, let's do something amazing
Let's do something that's all the way
'Cuz I've never touched somebody like the way I touch
your body
Now I never want to let your body go

Let's make a night to remember from January to
December
Let's make love to excite us, a memory to ignite us
Let's make honey baby, soft and tender
Let's make sugar darlin', sweet surrender
Let's make a night to remember all life long

I love the way you move tonight
Beads of sweat drippin' down your skin
Me lying here and you lyin' there
Our shadows on the wall and our hands everywhere

Let's make out, let's do something amazing
Let's do something that's all the way
'Cuz I've never touched somebody like the way I touch
your body

Now I never want to let your body go

Let's make a night to remember from January to
December
Let's make love to excite us, a memory to ignite us
Let's make honey baby, soft and tender
Let's make sugar darlin', sweet surrender
Let's make a night to remember all life long

Oh when I think about you all the time
Can't you see you drive me outta my mind?
But I'm never holdin' back again

Yeah I never want this night to end
'Cuz I've never touched somebody like the way I touch
your body
Now I never want to let your body go

Let's make a night to remember from January to
December
Let's make love to excite us, a memory to ignite us
Yeah let's make honey baby, soft and tender
Let's make sugar darlin', sweet surrender
Let's make a night to remember all, all life long

Let's make out, let's do something amazing
Let's do something that's all the way every day
Let's make honey, let's make sugar
Let's make a night to remember
Let's make love, slow and tender
Let's make a night to remember
Let's make love
