"Lie To Me"

I walked in - you walked out
I know right then something was up
Ya said "don't ask me no questions - won't tell ya no
lies"
It comes as such a surprise
I think I'll close my eyes - to the pain
Cuz tonight I don't wanna know where you've bin

So won't you lie to me
Then I can't be mistaken
Swear that you will lie to me
I don't wanna hear my heart breakin'

Tell me all the things that I want to hear
I don't give a damn if you ain't sincere
Baby just swear, (baby just swear)

Swear that you'll lie (swear that you'll lie) to me

You walked in - I walked out
Baby this ain't what we've - bin about
If I touched your hand - would ya pull it away
Was it something I didn't say
I forgive ya all - the same
But tonight I don't wanna know where you've bin

(chorus)

you can't say the things that you want
I won't let ya tell the truth
Cuz I don't (cuz I don't) give a damn (give a damn)
And I don't (and I don't) wanna know where you bin
