I love the way you look tonight  
With your hair hangin' down on your shoulders,  
'N'I love the way you dance your slow sweet tango,  
The way you wanna do everything but talk  
And how you stare at me with those undress me eyes,  
Your breath on my body makes me warm inside.  
Let's make out, let's do something amazing,  
Let's do something that's all the way  
'Cause I never touched somebody like the way I touch  
your body,  
Now I never want to let your body go ...

Let's make a night to remember  
From January to December,  
Let's make love to excite us,  
A memory to ignite us,  
Let's make honey, baby, soft and tender,  
Let's make sugar, darlin', sweet surrender.  
Let's make a night ro remember  
All life long.

I love the way you move tonight,  
Beads of sweat drippin' down your skin,  
Me lying here'n'you lyin' there,  
Our shadows on the wall and our hands everywhere.

Let's make out, let's do something amazing,  
Let's do something that's all the way  
'Cause I never touched somebody like the way I touch  
your body,  
Now I never want to let your body go ...

Let's make a night to remember  
From January to December,

Let's make love to excite us,  
A memory to ignite us,  
Let's make honey, baby, soft and tender,  
Let's make sugar, darlin', sweet surrender.  
Let's make a night ro remember  
All life long.

Oh, well I think about you all the time,  
Can't you see you drive me outta my mind,  
Well, I'm never holdin' back again.  
Ya, I never want this night to end.

'Cause I never touched somebody like the way I touch  
your body,  
Now I never want to let your body go ...

Let's make a night to remember  
From January to December,  
Let's make love to excite us,  
A memory to ignite us,  
And let's make honey, baby, soft and tender,  
Let's make sugar, darlin', sweet surrender.  
Let's make a night to remember  
All, all life long.

Yeah,  
Oh, Let's make out, let's do something amazing,  
Let's do something that's all the way  
Let's make honey.  
Let's make sugar.  
Let's make a night to remember.  
Let's make love soft and tender.  
Let's make a night to remember
