Who are you to say that I'm wrong?  
Who are you to say I'm crazy?  
Ain't a crime of passion comin' on strong  
I'm only trying to treat ya like a lady  
And I can't help myself

Do I have to prove my innocence?  
Don't need a lawyer with a fat degree  
Cause if lovin' you is against the law  
Then you better lock me up and throw away the key

Oh gonna take it to the jury  
Oh gonna nail it to the wall  
Oh gonna fight I'm gonna prove it  
Oh so let the hammer fall

I'm not guilty - baby I'm not  
I can't stop this feelin' I got  
I'm not guilty - cross my heart  
Not my fault if I'm fallin' apart  
But I'm alright Jack justa watchin' my back  
I'm not guilty - I'm not guilty

Won't serve no sentence won't do no time  
Won't cha listen to my plea  
Ya the verdict is I'm doin' fine  
Cause the love police are lookin' out for me

Oh I'm gonna get a witness  
Oh I'm gonna write it on the wall  
Oh it's a dirty old business  
Oh ya let the hammer fall

I'm not guilty - baby I'm not  
I can't stop this feelin' I got  
I'm not guilty - cross my heart  
Not my fault if I'm fallin' apart  
But I'm alright Jack justa watchin' my back  
I'm not guilty - I'm not guilty

She'll break your heart she'll take your mind  
She'll steal your soul

She's everything she's a schoolboy's dream  
She's rock 'n' roll  
She's a knockout combination  
It's a sticky situation
