This is story about a boy and girl
Trying find a life in the big world
Somehow they're together

There ain't much to the mystery
Misery loves company
She just waves her hand and says whatever

Well this ain't love, this ain't love
This ain't love at all
And he says

We're not Romeo, we're not Juliet
How long does it take to fill this emptiness?
We're just two lost souls and baby we got no regrets
We don't wanna say bye-bye
Babe it's just you and I
We're not Romeo, we're not Juliet

He ain't pretty with his hard old heart
Second generation immigrant scars
And he knows that this ain't heaven, no

She's all skinny like a cigarette
And he's the only thing, the only thing that she respects
And he's trying to make it better

This ain't love, this ain't love
This ain't love at all

And she says

We're not Romeo, we're not Juliet
You'd thought you'd seen it all, but you ain't seen
nothin' yet
We're just two lost souls and baby we got no regrets
Now it's just you and I
We're nothin' unless we try
We're not Romeo, not Juliet

It has feel right but it never does
It has to be perfect but it never is

You wanna be sure but you never do
We're not Romeo or Juliet, it's just me and you

We're just two lost souls and baby we got no regrets
I don't wanna say bye-bye
Babe it's just you and I
We're not Romeo, we're not Juliet

No, no, no, we're not Romeo, we're not Juliet
How long does it take to fill this emptiness
We're just two lost souls and baby we got no regrets
Now it's just you and I
We're nothin' unless we try, oh no
We're not Romeo, or Juliet
No we're not, that's a fact
