You're the silent type  
And you caught my eye  
But I never thought that I'd be touchin' you  
How was I to know  
I'd let my feelin's go  
And that I'd be yours before the night was through  
One night love affair  
Tryin' to make like we don't care  
We were both reachin' out for somethin'  
One night love affair  
Pretendin' it ain't there  
Oh - and now we're left with nothin'  
When the mornin' breaks  
We go our separate ways  
If the night was made for love it ain't for keeps  
But I lose control  
As I watch you go  
All my senses say I'm in this much too deep  
Now you're outa reach  
One night love affair  
Tryin' to make like we don't care  
We were both reachin' out for somethin'  
One night love affair  
Pretendin' we don't care  
Oh - and now we're left nothin'  
Solo  
One night love affair  
Tryin' to make like we don't care  
We were both reachin' out for somethin'  
One night love affair  
Sometimes life ain't fair  
Oh - and now we're left with nothin'
