My hands are shaking, my heart skips a beat
I can't focus, I can't speak
'Cause I've gone underwater, I'm going in deep
I need you around babe

Oxygen, every moment, oxygen everyday
I can't live without it, don't take it away
I need to breathe you in like oxygen

Losing cohesion, I'm losing my mind
I'm trying to resist it, to stay out of line
It's like I'm drowning, in the deepest sea
But I need you around babe

Oxygen, every moment, oxygen everyday
I can't live without it, no, don't take it away
I need to breathe you in, like oxygen

My pulse is racing, my head's in a spin
I need to seek you darling
'Cause you're my oxygen

Oxygen, every moment, oxygen everyday
I can't live without it, no, don't take it away
I need to breathe you in, over and over again, like
oxygen

Every moment, everyday
I need you around babe
Oxygen, every moment, oxygen everyday
(Oxygen)
It's like oxygen
