Rescue Me From the mire , whisper words of desire  
Rescue me, Darling rescue me  
with your arms open wide, want you here by my side  
Come to me, Darling rescue me  
When this worlds closing in, there's no need to pretend  
set me free, Darling rescue me

ohh

i don't wanna let you go so i'm standing in your way  
i never needed anyone like i needed you today  
Do i have to say the words? Do i have to tell the truth?  
Do i have to shout it out ? Do i have to say i prayer?  
Must i prove to you how good we are together  
do i have to say the words

Rescue me from Despair, tell me you will be there  
Help me please, Darling rescue me  
Every dream that we share, every cross that we bare  
can t you see ? darling rescue me

yeah

i don't wanna let you go so i'm standing in your way

i never needed anyone like i needed you today  
Do i have to say the words? Do i have to tell the truth?  
Do i have to shout it out ? Do i have to say i prayer?  
Must i prove to you how good we are together  
do i have to say the words

yeah!

i don't wanna let you go so i'm standing in your way  
i never needed anyone like i needed you today  
Do i have to say the words? Do i have to tell the truth?  
Do i have to shout it out ? Do i have to say i prayer?  
Must i prove to you how good we are together  
do i have to say the words

so good together .. yeah .. come to me sweet sweet  
darling

rescue me  
set me free  
set me free babe  
woo
