You need a man that'll treat you  
Like the woman you are  
Those little boys are just fooling around with your heart  
Whatcha gonna do now that you're all alone?

You need a rock not a rollin' stone  
Yeah, so when a boy  
Just ain't enough  
You need a man made of stronger stuff

Get ready  
Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you

You need somebody  
Who will help you with your heavy load  
Well, I've been there baby  
Lord, give me a rock and roll

Well, I can bend but I won't break  
'Cause you ain't got what I can take  
So when you're tired of those little girls  
You want a woman that'll rock your world

Get ready  
Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you

Amateurs and dilettantes  
They can't give you what you really want  
When all the other have been untrue  
I'll give you something you can hold on to

Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true

Rock steady  
Just me and you
