When a hotel room's the closest thing you got to home
You could be in Philadelphia you could even be in Rome
You gotta dial nine to get an outside line
I even need a concierge, just to take a drive
It's a crazy life

But I hope to see you smile, but I'm always wrong
It's a different melody but the same old song

Yeah, I've been on the road nearly all my life
Been around the world 'bout a thousand times
Still a knock on the door makes me nervous
I think, I'll see you standing there, but no
It's only room service, yeah room service

I've been living out my suitcase as long as I remember
Life's the same, it doesn't change, it's a Gibson or a
Fender
I still think about you babe
I swear sometimes I see your face
These are crazy days

Yeah I think I hear your voice, but it's just a dream
It's a brand new movie but the same old scene

Yeah, I've been on the road nearly all my life
Been around the world 'bout a thousand times
Still a knock on the door makes me nervous
I think I'll see you standing there, but no
It's only room service, yeah room service

You know I wouldn't change a thing, no
I'm just waiting for the bell in my room to ring

But I hope to see you smile, but I'm always wrong
It's a different melody but the same old song

Yeah I've been on the road nearly all my life
Been around the world 'bout a thousand times
Still a knock on the door makes me nervous
I think I'll see you standing there, but no
It's good to sing, I haven't get your home

It's only room service, room service yeah, room service
