It's funny what goes through your mind  
When you think of times you spent together  
Funny but when I think back why we broke up  
The reasons seem so small

One day she's with me, everything's fine  
Sayin' somethin' sounded like I love you  
The next week I see her walkin' down the street with  
someone else  
Probably sayin' the same thing, it's doin' my brain in

I got nothin'  
(I got nothin')  
Goin' nowhere  
(Goin' nowhere)  
Tired of under achievin'

I keep searchin'  
(I keep searchin')  
Nothin's workin'  
(Nothin's workin')  
It's not enough just to be breathin'  
I need somethin' to believe in  
Yeah, I need something

It's funny what goes on in your head  
When you think about the way things come together  
But now I think back why things had to change  
The reasons seem so small

Cruel twist of fate, keepin' me awake  
When I need to sleep to take away the hurtin'  
But now I got time on my hands tryin' to understand  
But there ain't no explainin', it's doin' my brain in

I got nothin'  
(I got nothin')  
Goin' nowhere  
(Goin' nowhere)  
Tired of under achievin', yeah

I keep searchin'

(I keep searchin')  
Nothin's workin'  
(Nothin's workin')  
It's not enough just to be breathin'  
I need somethin' to believe in  
Yeah, I need somethin' to believe in  
There just ain't no explainin', it's doin' my brain in

I got nothin'  
(I got nothin')  
Goin' nowhere  
(Goin' nowhere)  
Tired of under achievin'

I keep searchin'  
(I keep searchin')  
Nothin's workin'  
(Nothin's workin')  
It's not enough just to be breathin'  
I need somethin' to believe in  
Yeah, what about you?  
I need somethin' to believe in, yeah, yeah, yeah
