Sound the bugle now - play it just for me  
As the seasons change - remember how I used to be  
Now I can't go on - I can't even start  
I've got nothing left - just an empty heart

I'm a soldier - wounded so I must give up the fight  
There's nothing more for me - lead me away...  
Or leave me lying here

Sound the bugle now - tell them I don't care  
There 's not a road I know - that leads t anywhere  
Without a light I fear that I will - stumble in the dark  
Lay right down - decide not t go on

Then from on high - somewhere in the distance  
There's a voice that calls - remember who you are  
If you lose yourself - your courage soon will follow  
So be strong tonight - remember who you are  
Ya you're a soldier now - fighting in a battle  
To be free once more...  
Ya that's worth fighting for
