Sound the bugle now play it just for me  
As the seasons change remember how I used to be  
Now I can't go on I can't even start  
I've got nothing left just an empty heart

I'm a soldier wounded so I must give up the fight  
There's nothing more for me lead me away  
Or leave me lying here

Sound the bugle now tell them I don't care  
There's not a road I know that leads to anywhere

Without a light feat that I will stumble in the dark  
Lay right down - decide not to go on

Then from on high somewhere in the distance  
There's a voice that calls remember who your are  
If you lose yourself your courage soon will follow

So be strong tonight remember who you are  
Ya you're a soldier now fighting in abattle  
To be free once more Ya that's worth fighting for
