I know that you're curious,  
So don't be serious,  
You know there's no cause for alarm.

When you're down - out  
Left here in doubt,  
All the things that are right will go wrong.

Love is a state of mind,  
It's keepin' us both alive,  
Sometimes it's hard to find.  
Love's in a state of mind.

Wait just a minute,  
You know that it's finished,  
So don't you go carry it on.

Cause I'm down - out  
Left here in doubt,  
Well, we try but we can't get along.

Love is a state of mind,  
It's keepin' us both alive,  
Sometimes it's hard to find.  
Love's in a state of mind.
